Mrs. Jones,
It's really been a good
year in this class. I've learned
a little bit in here, but my
favorite part was (of course) poetry.
I also think you are the fairest
teacher I've had. You don't favor
some students like a lot of teachers
do. Thank you for everything!
Take care
God Bless!

A.S.B. Officers

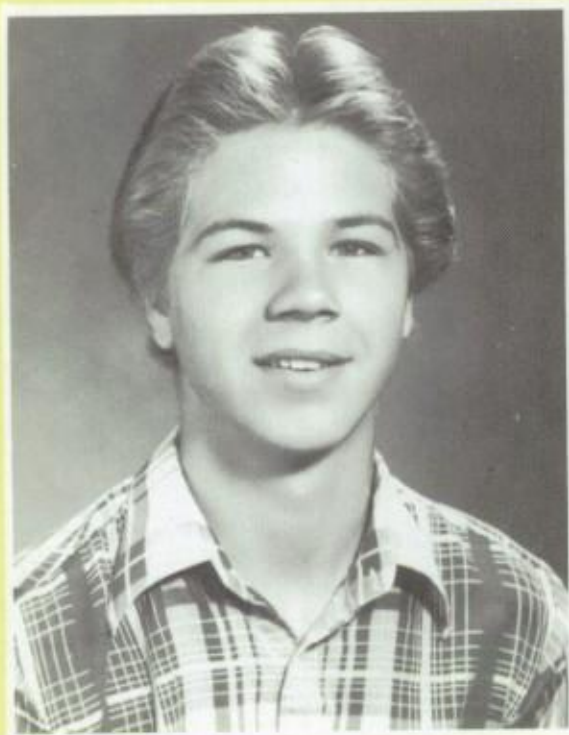

I would like to take the opportunity to thank the student body for letting me hold the office of Student Body President. The values and knowledge I gained through working with and for the students and faculty of Lewiston High School is going to help me throughout my life. I extend a special thanks to my Student Body Officers for sticking together when problems arose and the late night hours they were willing to spend to help Student Government run smoothly and successfully. Mr. Mikkleson's wisdom and understanding helped us achieve what we had to get done and he was there when we were in a jam. Thank you R.A.M.!!!!

The role of leadership cannot be accomplished alone, it takes many spirited people working and pulling together. I'm proud to have gone to L.H.S. I hope you are too!

This year, the Purr Staff plans on publishing fifteen issues of its award winning newspaper. For fifteen consecutive years, "The Purr" has been awarded "The Medalist," an award given by the Columbia Scholastic Press Association. Only LHS and a private school in Chicago have received this award for fifteen years since the award began in 1923. Ron Hayes, advisor, feels this year's staff has a good chance of winning this award again this year.

"They're an inexperienced but GOOD staff," says Mr. Hayes.

GOOD LUCK on winning the award!!

Foreign Exchange Students

Rainer Volker is a 16 year old Junior from Lohne, Germany. While in Lewiston he is staying with Larry Davis. Rainer likes American girls because of the way they try to make themselves more attractive. In Germany permanents and make-up are a rare sight. Rainer's hobbies are playing the drums, and photography. He likes Lewiston and its people and hopes one day to return for a visit. Rainer was surprised to see that Americans drive bigger cars and that most don't know that Germany is a democracy. Rainer hopes one day to become a lawyer like his father.

Midori Hanafusa, an 18 year old senior from Japan says that she loves Lewiston and plans to return in the summer of 1982 for a visit. She is living with the Brewer family. Midori was surprised to find how much easier American school is than Japanese, though she says her language program is hard. She was also surprised to find American girls wearing make-up and with permanents. Neither are allowed in Japan and they also wear uniforms in school. Midori hopes one day to become an interpreter.

Satoru Nishijima is a Junior from Tokyo, Japan. Satoru arrived on August 24, 1979 and will stay until mid July. While in Lewiston he is staying with Randy Sorenson and his family. His favorite things to do are roller skating and watching girls. His favorite class is typing and he also enjoys singing in A Capella. Satoru says he misses nothing about Japan and hopes to come back to Lewiston someday. The most exciting things that have happened to Satoru so far is his first American date and the Earth, Wind and Fire concert.

Girls' And Boys' State

Late one June evening in 1979, six Lewiston girls hopped on a bus with girls from all over Idaho. They traveled to Nampa and set up their own government. They formed political parties, elected Senators, Representatives, and a governor, and took over the state capitol for a day. They sang, danced, worked, played, laughed and cried. When they came home again they found they had not only learned about government, but also about life and about themselves.

Boys' State was held the second week in June, 1979 at Boise. The delegates were first divided into mock cities and then counties. After city and county elections came the state elections. Finally, the last two days were spent at the capitol building presenting bills and passing legislation. The last night, the delegates attended a dance with cheerleaders from Borah, Capitol, and Boise High Schools.

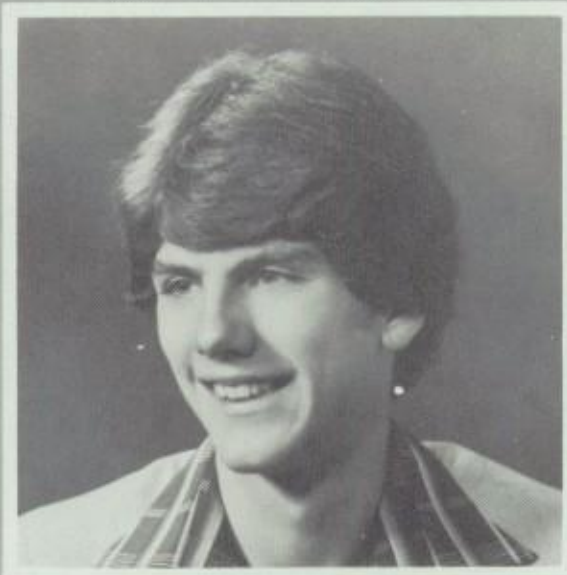

Girls' State is sponsored by the American Legion.

Raisin' Spirit

"80" Proof

Bengal Bandits and "80" Proof were the names chosen for the Senior girls and guys clubs this year. These clubs promote spirit and provide many of the skits in our assemblies. The Senior guys reinforced the Senior spirit at LHS by painting the "80" in the parking lot. The clubs' gold T-shirts also provide a little color to the Lewiston crowds at every game. Keep raisin' the spirit Seniors!!!

Sweetheart Ball Royalty

KING: Eric Asplund, QUEEN: Dena Church

PRINCE: Dan Stellman, PRINCESS: Gina Gruell

The Sweetheart Dance was held February 8, 1980, at the Community Center from 9:30 to 12:30 p.m. The couples enjoyed dancing to the sounds of "Sleeper." A feeling of Valentine's Day was created by the red and white crepe paper ceiling over the dance floor, the heart-shaped cookies and the heart-shaped favors. The highlight of the dance was the crowning of the Sweetheart Royalty.

Teacher Of The Year:

Mr. Mikkelson

Ron A. Mikkelson has been a teacher at Lewiston High School for 14 years. He teaches math and consumer economics. He is the Student Body Advisor, Drivers Training Coordinator and Head of Concessions. RAM, as he is called by his students, was chosen Teacher of the Year for 1980 by the students of Lewiston High School.

Ram's teaching methods show a genuine concern for his students, a freedom of expression, keeps them interested in the subject at hand and makes his classroom an exciting place to be.

The Swingin' 50's Day

The 50's Day this year was GREAT! There were people all over in their bobby socks and greased back hair, just trying to be cool. In the assembly, The Poms and the Drill Team entertained the crowd and knocked the guys socks off with thier routines. Then, the fantastic group "Nash Rambler" hit the stage. The lights came down and the crowd went crazy. They came back for an encore of "Blue Suede Shoes" and "Do Ya Wanna Dance."

All this craziness and good times all boiled down to the one thing. The reason of it all, to get the student body together to promote the most L-Raisin spirit we could for the game that night.

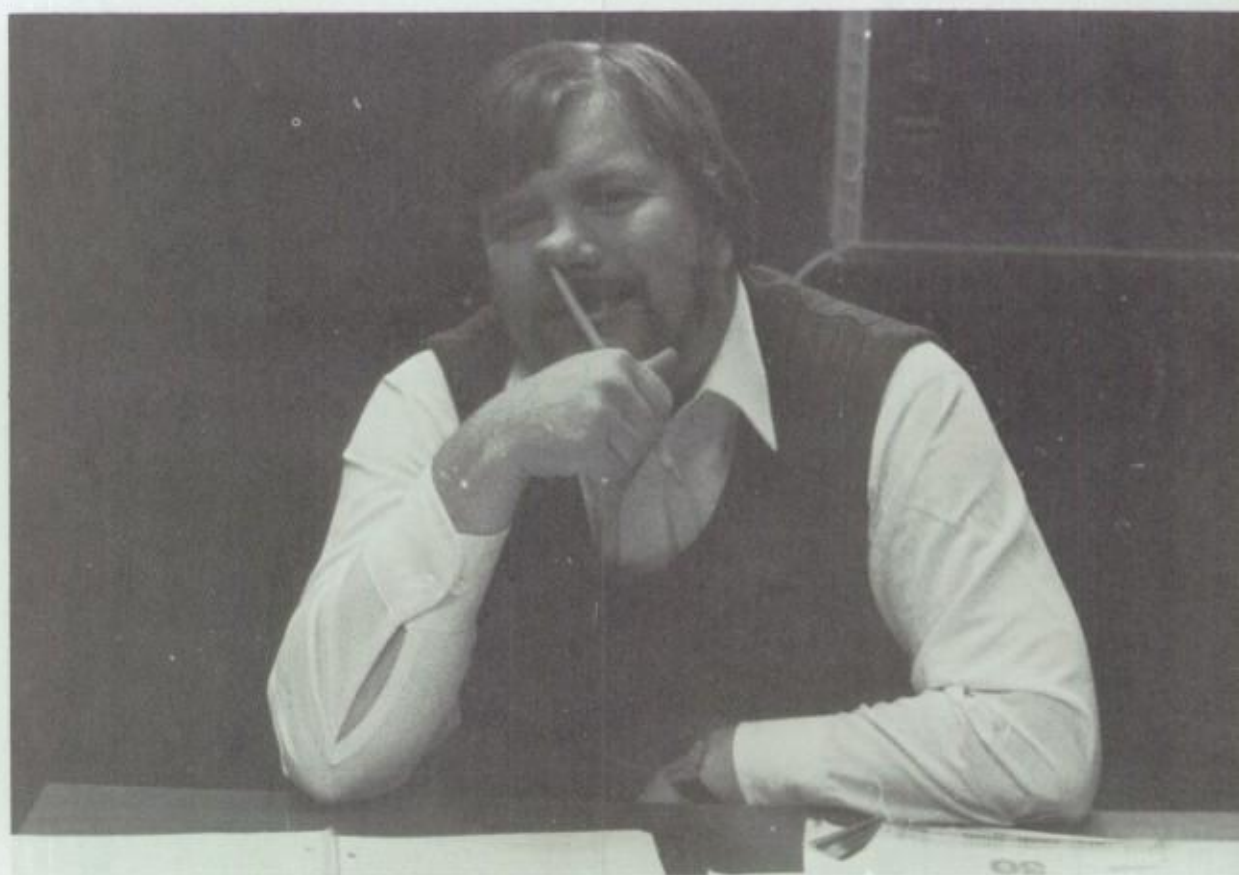

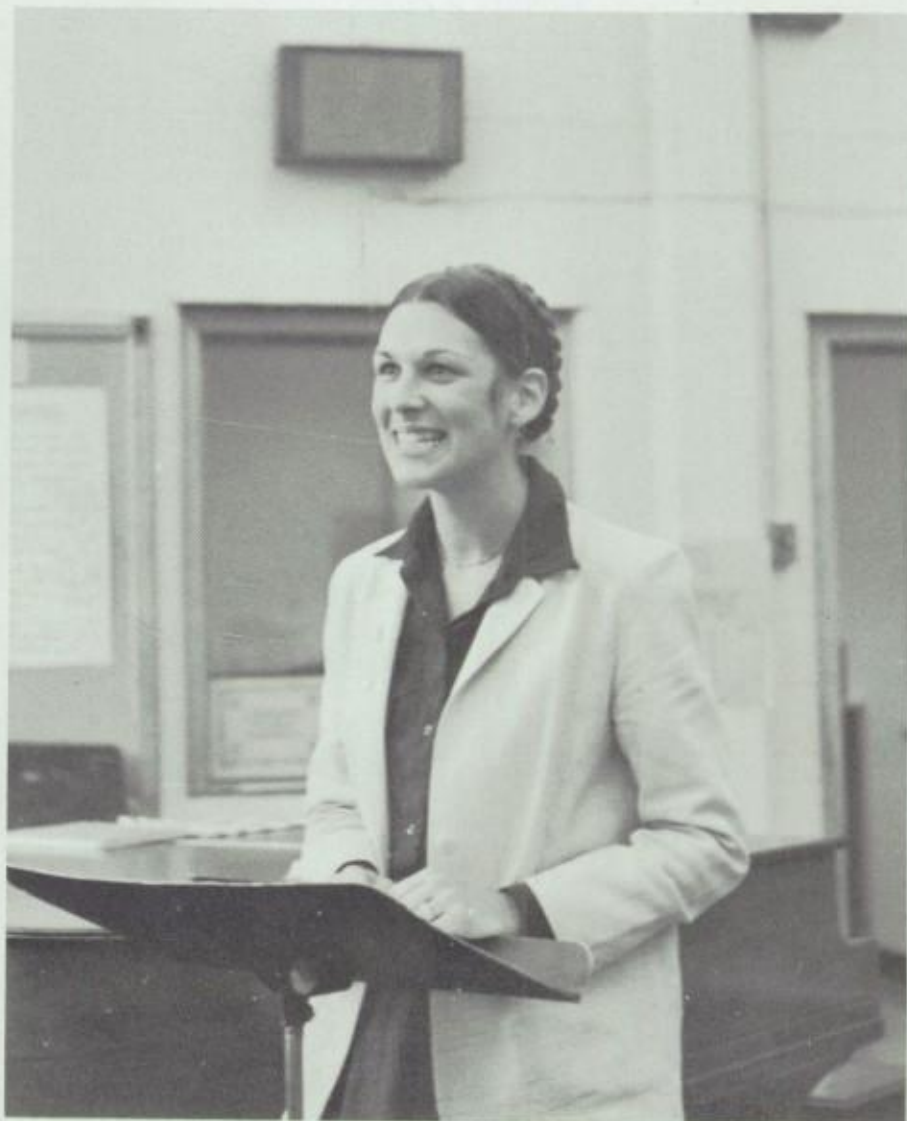

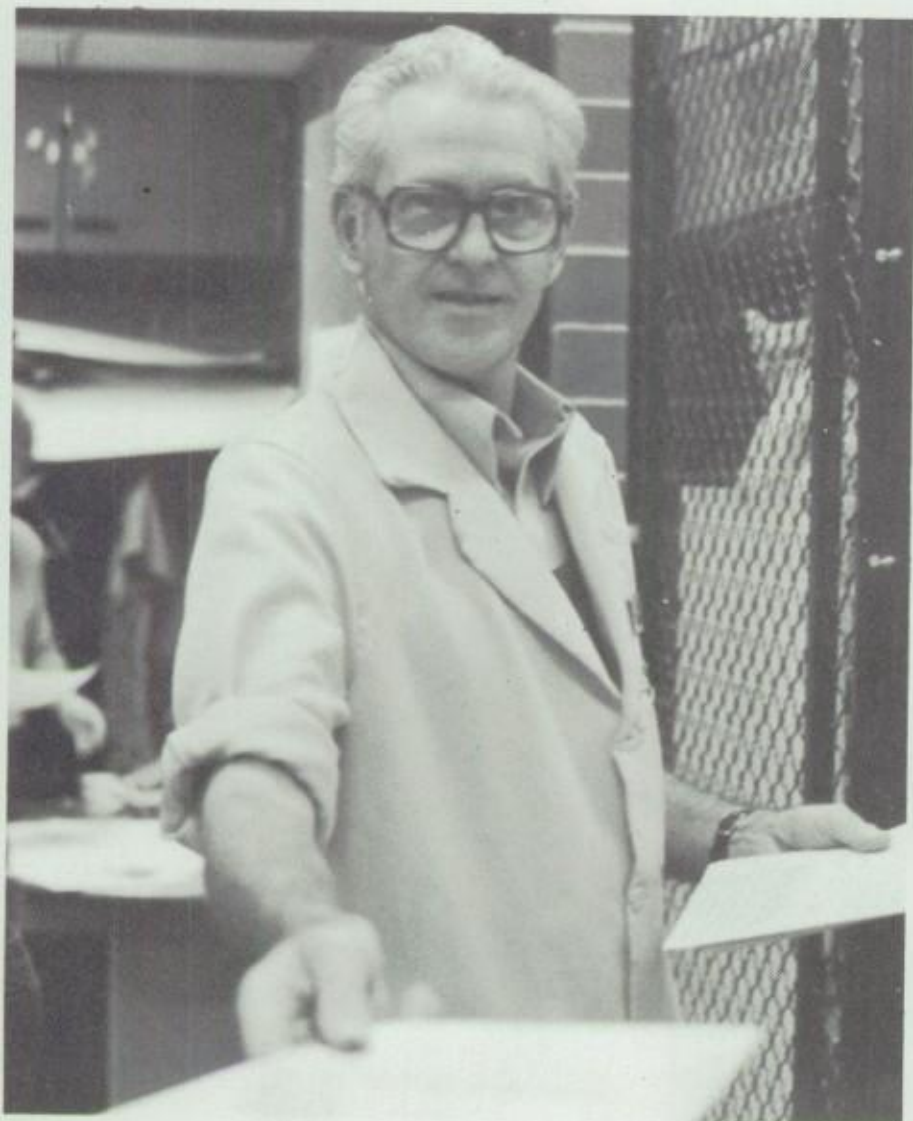

R to L: Dale Lindstrom, Joni Kahonan, Shauna Lyman, Jeff Brooks, Todd Sprague, Sue Bradley, Duncan Sprague, Mark Dinges, Alex Hill.

Not all students realize what a guiding force the faculty at L.H.S. really is on all of us. We come to take these people for granted, not realizing what they're doing for us. They add to the spirit of L.H.S. and make our school a place worth coming to.

In the past couple of years teachers' pets have become an important part of showing teachers our appreciation. The secrecy of getting special surprises on their desks before they arrive or decorating their room for a special occasion all add to the special relations between teachers and students here at L.H.S.

One of the many janitors who maintain our school and take care of the mess caused by Homecoming, hall decorations, and the Lewiston-Clarkston game. It's during these times that the janitors really put forth extra effort to keep our school looking good and free of rival comments on the walls and sidewalks. We're sorry that we didn't get a picture of all the janitors together. Thanks to all of you for a job very well done.

Senior Class Officers Lead The Way

The Senior Class Officers of 1980 lead the way through many activities. Senior Ball was done to the theme "Beginnings", symbolic in so many ways of something new. Through their leadership the senior class limed the "L" on Lewiston Hill, and held a senior luncheon. It is with deep appreciation that we dedicate this page to the Senior Class Officers of 1980.

Always look ahead to the future, leave the
past behind
For if you look into the past you could end
up living there forever.
The future holds many new and exciting
things for you . . .
New friends, new places, and maybe even
new love
You have so much to live for, don't let it go
to waste.
Keep reaching for the bright shining star,
And someday it will be yours.
You know what yesterday held for you,
and what is happening today,
But tomorrow is magical . . .
For there is no way of knowing what it
holds.
So never get lost in memories
Just let the good feeling of them stay with
you, to cherish.
Yesterday is gone, today will soon be
over,
But tomorrow will go on . . . Forever!

*But I Fought Hard
And I Won!*

Graduation

The winds of time have blown their last,
Ere they change their course.
The sadness comes and holds us fast,
But time's a tireless force.

Through empty halls the laughter rings
The band still plays, the choir still sings.
At Bengal Field the teams still play,
But all in memory's obscure way.

The music starts, my visions end
The final march with closet friends.
I cross the stage with misty eyes
So many hopes are realized.

And yet I feel a deep regret
There's so many things I'll forget.
The friends so closely bound in heart
Are now so cruelly torn apart.

I hold a friends, tears fall like rain
I turn and hide my face in shame.
I tell myself I shouldn't have cried,
And yet it helps the pain inside.

So now a page of life is past,
Though we feel remorse.
The sadness comes and holds us fast,
But time's a tireless force. Carol Peterson

Senior Representatives

These students have been selected by the faculty as outstanding seniors.

We Present Dale Lindstrom

Dale has served the school in many ways during his years at Lewiston High School. He has participated in basketball, baseball, pep band, and Student Council. The highlights of his senior year were leading the students as Student Body President, being a member of National Honor Society, and playing in the ever popular 50's band. We are proud to have Dale as the faculty's choice for Senior Representative.

We Present Carol Peterson

An extremely well rounded and friendly disposition attained Carol the respect and admiration of her classmates. She displayed her leadership abilities while serving as A.S.B. Secretary and attending Girls' State. She also participated in German Club, L-Cube, and National Honor Society. We are proud to have Carol as the faculty's choice for Senior Representative.

We Present Chris Wyatt

Chris's leadership abilities and quiet ways have led him to be chosen as a senior class representative. He has been active in Ski Club, Cross Country, and Science Club. Chris attended Boy's State and served the school as A.S.B. Treasurer. We are proud to have Chris as the faculty's choice for Senior Representative.

We Present Tracy Carmack

Tracy has been recognized as one of the busiest students at Lewiston High School. She has participated in many sports and been involved in Debate, Science Club, Bengal Bandits, and L-Cube. The Highlight of her senior year was being chosen Lewiston's Junior Miss. We are proud to have Tracy as the faculty's choice for Senior Representative.

The Class Of 1980

We Present Dan Hogan

Dan's boyish charm has won him the respect of the senior class. His athletic ability in basketball and golf has earned him the honor of belonging to L-club. His concern for the students of Lewiston High School has been shown by his participation in Student Council. We are proud to have Dan as the faculty choice for Senior Representative.

We Present Nicki Luper

Nicki Luper has promoted spirit at LHS in a number of ways. As well as being active in sports such as track, baseball, and volleyball, she has devoted many of her hours as a statistician. She has also been active in many clubs which promote school spirit. Both the Student Body and faculty have benefitted because of her continued support and pride. We are proud to have Nicki as the faculty's choice for Senior Representative.

We Present Scott Arnone

Scott's friendly personality has won him the admiration of his fellow students. He has competed for LHS in Football, Basketball, and Tennis. He has been a member of DECA, Ski club, 80-proof, and the Student council. Very few students have contributed to our school in the ways that Scott has. We are proud to have Scott as the faculty's choice for Senior Representative.

Princess: Selina Heinen

The Senior Ball this year was semi-formal and took place on Nov. 10th at the Elks Temple. The couples danced to the music of Exact Opposites from Pullman. The decorations for this dance were difficult to put up, but were greatly appreciated by the couples who attended. Everyone had a simply stupendous time and enjoyed the 2nd dance of the year immensely.

Sometimes it seems to the Juniors that they will never be anything but stuck in between the Seniors and the Sophomores. They are right in the middle of the high school life and the middle of the ol' grind. Look on the bright side Juniors; next year is the best!

Student Life

Ever since our grade school days, school and home have been the extent of our lives. But slowly we break away to make our own tracks instead of following others. Our hopes and dreams, joys and ambitions, interests and hobbies, these are all a part of our life at Lewiston High School and in the outside world.

We learn that though not everything is perfect, we are the ones who can change things. We can make them better for those who will follow our tracks and later improve on them. It is in this spirit we have begun the decade of the 80's and have made our tracks.

It is in this spirit we have made our time at LHS the best possible.

First Steps Toward Future Goals

Although there are many clubs and activities for interested students at LHS, these students have found that the world outside of high school also is an interesting place to keep them busy.

JUNIOR MIKE QUINN works as a cameraman at KLEW-TV. SENIOR LINDA NICKLAS and her little sister for the Girl's Center practice basketball. SENIOR BRYAN PETERS bowls on an area men's league. SENIOR DEWAYNE KING was installed as head of DeMolay in January.

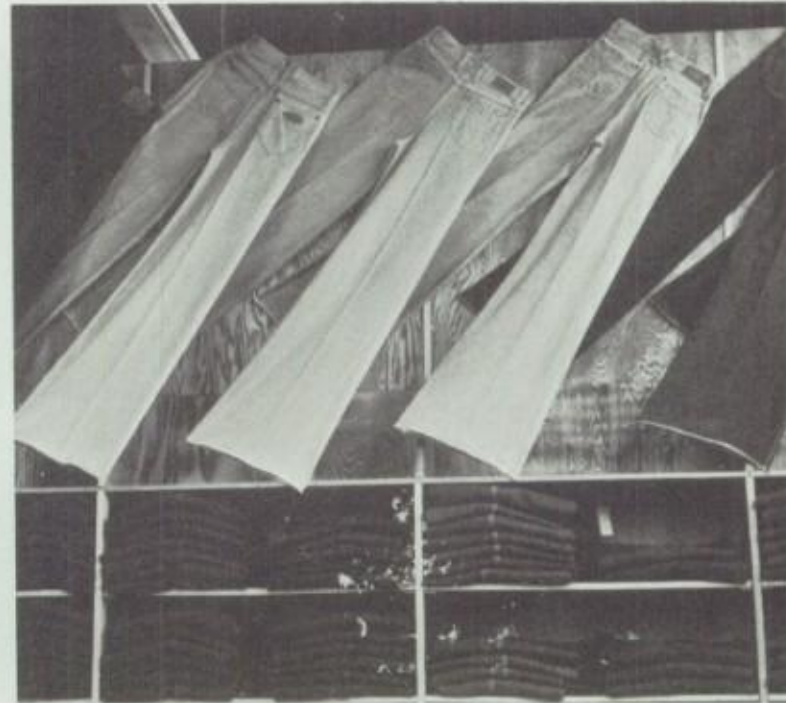

JUNIOR VICKI WALLACE, president of Josettes works in the gift shop at St. Joseph's Hospital. SENIOR TODD BLAKE is the treasurer of our high school credit union and also works part time at the Potlatch Credit Union. SENIOR JILL STEVENS is a licensed pilot. JUNIOR STEPHANIE HENNIGAN performed in the Civic Theatre production "Fiddler on the Roof." SENIOR KEN DUGGER gave a demonstration in Karate to his fifth hour Lit class. SENIOR JULIE WILSON was installed as Worthy Advisor of Rainbow Girls in October.

High-heeled Steps

DRESSY SHOES are popular this year. DOUBLE-PIERCED EARRINGS are popular for those who dare. JEANS ... need I say more. JUNIOR BRENDA PABST wears a newly popular slit skirt. SENIOR LEEANN HUNTER, helps SENIOR JILL STEVENS with a belted jacket at the Depot.

Someday our children may look back at our clothes and laugh, or dig our old clothes out of drawers to wear to "80's assemblies," where a band will play and the girls will scream and everyone will look "so funny."

All our fads and styles — double-pierced earrings, clogs, curly permanents, cinch belts, old-fashioned combs, blazers, western boots, trench coats, straight-legged jeans, pleated skirts — were looked at fondly, (and some not so fondly), now we look to what styles the future may hold.

*Mrs Jones,
It fun in your
class this year.
Have fun in the summer.
Good Luck U
Gregg Reed*

Leading Styles In 1980

BIB OVERALLS have become popular and are comfortable. SENIOR MARK ARNOT helps a customer at the Depot. JUNIOR LORI GARRETT is caught studying. BOOTS, both western and dressy can be worn with anything from jeans to skirts. FANCY BELT BUCKLES are popular with jeans. SOPHOMORE KELLIE BAYER is shown wearing straight-legged pants and a blazer.

Freewheelin'

FREEWHEELIN'

This year the students of L.H.S. got a taste of a big new professional band in the dawn of their career. Freewheelin' isn't just forming, they've been together for 6½ years, and know where they are headed. The band's leader and keyboard player Ed Kammer was interviewed by Laurie Hilbert for the Purr.

They played here to over 400 people, Feb. 22, of their concert at L.H.S. and then rushed on to two more concerts at Missoula, Montana and somewhere in the wilds of South Dakota.

Ed Kammer is also pictured here autographing a copy of their new album appropriately titled Free-wheelin'. What they hope to be their big break. When Freewheelin' becomes one of the top recording acts of the 80's, you saw them here at L.H.S. when they were just starting to make tracks into the new decade.

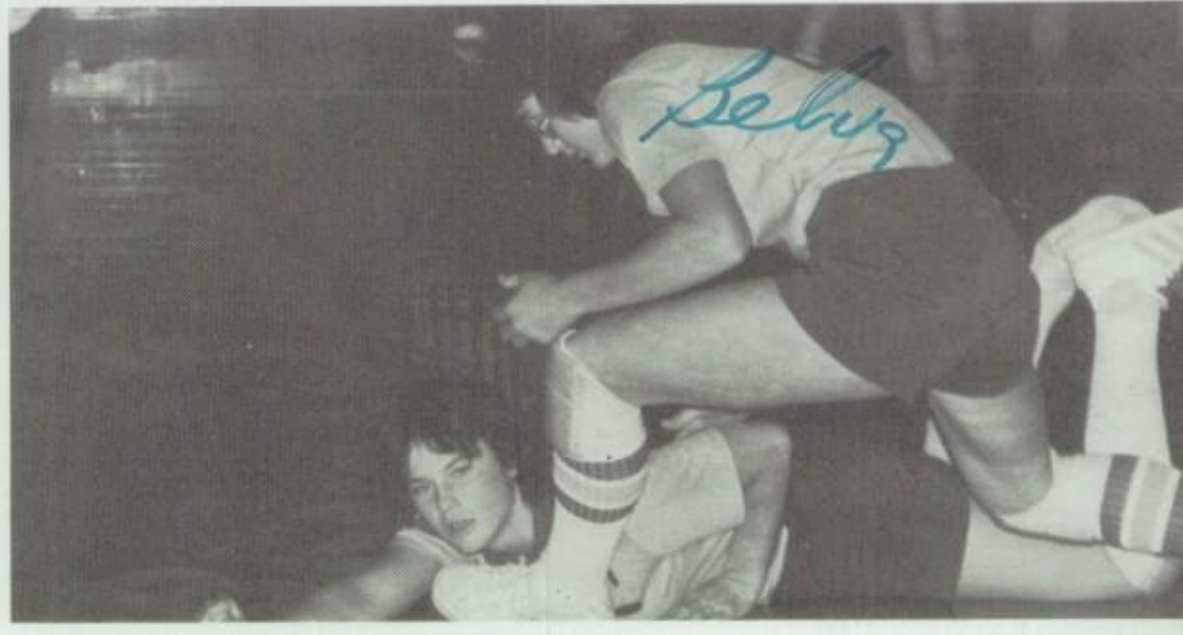

In the innocence of a child's eyes
 In the candle light
 Through rosebuds and winter days
 I feel gentle music
 caressing my mind
 I see a penny on a sidewalk
 And a rainbow after the rain
 And hot chocolate
 after snowball games.
 In a soft, warm room
 I am wrapped
 In the warmth of friends
 Through the years I've lived
 and in Shakespeare's words
 I see a storm on the ocean.
 Little boys playing "cops and robbers"
 A letter from my grandmother
 my dreams
 the promise of a bright
 future
 the promise of a bright
 future
 the promise of a bright
 future

The 1979 Pride Football team will be long remembered as the team too tough to quit. After a slow start against quality competition, the Bengals showed enough class to win the Inland Empire League Title and represent Northern Idaho in the first state championship playoff. We defeated Idaho Falls in the first round of state competition at Bengal Field before bowing to the eventual state champion Borah Lions in Boise. The team was very proud of their third place finish in the state tournament and of their opportunity to represent Lewiston High School.

BUMP! SET! SPIKE!

Volleyball season provided experience to both players and coach in sportsmanship and attitude towards others, as well as in skills of the game. The varsity didn't have a winning season, but they never gave up and always did their best. The JVs ended their season with an even 5-5 record. All those who played on either team were winners, though, because they learned how to work hard, play hard and help each other. Last but certainly not least they all (coach included) really had fun!!

Both the LHS Boys' and Girls' teams completed very successful seasons with the boys finishing 4th and the girls 6th in the state meet at Boise.

The Boys and the Girls each had perfect 6-0 records in Dual meets. In addition the boys won invitational meets at Coeur d'Alene, North Idaho College, Connel, Wallowa and the District Meet. The Girls won the Invitational at Wallowa and the district.

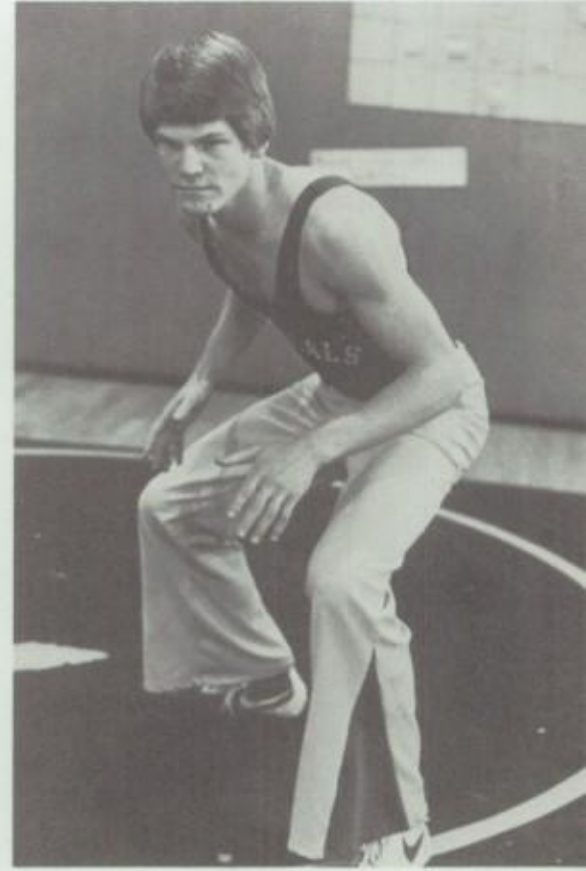

Doug McMicken set a new record for the Lewiston course in district competition and Evelyn Boettger set a record for Lewiston Girls at the same state meet.

 You are my favorite

 because you expect some-
 thing from me. A lot of my

Dedication: Sherm Shrock

This year, we, the Yearbook Staff, have chosen to dedicate our book to Sherm Shrock, head custodian at L.H.S. We have based our decision on the fact that Sherm does so much for our school, but receives little recognition for all his hard work. He has been working at L.H.S. for thirteen years and plans to retire at the end of this year.

Sherm came to Lewiston in 1952. He worked at Whitman for five months and then began working at L.H.S. in 1968. Before that he had worked as a traveling salesman. He has held only four jobs in his entire working career.

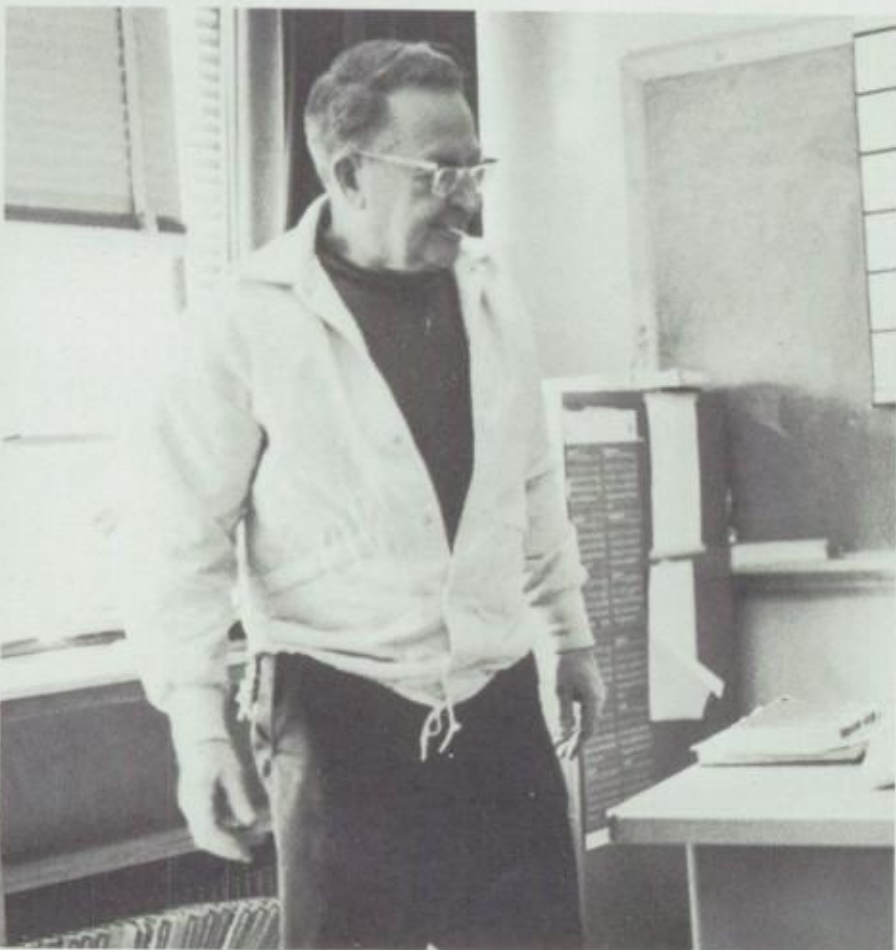

When Sherm first arrived at L.H.S., the air-conditioning system was one of his big projects. The system, which operated on water and was called a "swamp system," had been installed in 1926 but had been out of running condition for about fifteen years. He worked on the system and got it into working condition shortly after. It was the only air-conditioning system of its kind running in the United States. Because of this and Sherm's hard work, **Ripley's Believe It Or Not** entered L.H.S. and the system into their book.

Sherm's regular routine is to check the school, make any necessary repairs, and report those not repaired. He is on twenty-four hour call and he will return to school any time of the night he is needed. He is often called back to school to work on making sure that the school is warm when everyone arrives in the morning.

Planning to make this his last year at L.H.S., Sherm plans on selling out in Lewiston and moving to Spirit Lake, at the foot of Mount Spokane. There he plans to do a little fishing and relaxing. Sherm has been here the longest of all the custodians, and they all have a great admiration for him.

Everyone agrees that Sherm has done a great job these past thirteen years. We hope that by dedicating this book to you, Sherm, you will know how much we really appreciate the hard work you've put into updating our school and keeping it in good condition.

THANK YOU!!
